Scientific Support

Prof. Dr. IOAN PÂNZARU,
Rector,
University of Bucharest
www.unibuc.ro

Prof. Dr. ANDREI MARGA,
Rector, “Babeş-Bolyai” University
of Cluj-Napoca
www.ubbcluj.ro

Chairman and Coordinator

Conf. Dr. MARIN VLADA,
University of Bucharest,
European INTUITION
Consortium member,
www.intuition-eunetwork.org

Co-Chairmans

**Prof. Dr. GRIGORE
ALBEANU,**
“Spiru Haret” University of
Bucharest, Research Center for
Mathematics and Informatics,
www.ad-astra.ro/galbeanu

**Conf. Dr. DORIN MIRCEA
POPOVICI,**
“Ovidius” University of Constanta,
European INTUITION
Consortium member,

New Technologies in Education and Research
“2010 – Towards a Learning and Knowledge Society - 2030”

Educational Technology
INTERNATIONAL CONFERENCE ON VIRTUAL LEARNING
ICVL 2011

Web site: <http://c3.icvl.eu>

October 28 – October 29, Cluj-Napoca, România

THEME:

Virtual Environments for Education and Training

LOCATION:

“Babeş-Bolyai” University of Cluj - Napoca,
www.ubbcluj.ro

Organization

University of Bucharest in cooperation with:

- “Babeş – Bolyai” University of Cluj-Napoca
- SIVICO Romania
- INTEL Company

Vision and Strategy

Phase II - Period 2010-2020: e-Skills for the 21st Century

Objectives

The implementation of the Information Society Technologies (IST) according to the European Union Framework-Programme (FP7):

- The development of Research, projects, and software for E-Learning, Software and Educational Management fields
- To promote and develop scientific research for e-Learning, Educational Software and Virtual Reality

The papers describing advances in the theory and practice of Virtual Environments for Education and Training (VEE&T), Virtual Reality (VR), Information and Knowledge Processing (I&KP), as well as practical results and original applications :

- To assist the teaching staff and ICT professionals in the usage of the modern technologies for teaching both in the initial and adult education
- To improve the cooperation among students, teachers, pedagogues, psychologists and IT professionals in specification, design, coding, and testing of the educational software
- To promote and develop Information Technologies for the teaching, management and training activities

Prof. OLIMPIUS ISTRATE,
Elearning.Romania and TEHNE,
University of Bucharest,
www.elearning.ro

Scientific Committee

Dr. A. Adăscăliței, Dr. Michael E. Auer, Dr. Angelos Amditis, Dr. Grigore Burdea, Dr. Rareș Boian, Dr. Pierre Chevaillier, Dr. Mirabelle D' Cruz, Dr. Steve Cunningham, Dr. Ioan Dzițaț, Dr. Victor Felea, Dr. Horia Georgescu, Dr. Jean-Pierre Gerval, Dr. Radu Gramatovici, Dr. Felix Hamza-Lup, Dr. Angela Ioniță, Olimpius Istrate, Prof. Radu Jugureanu, Dr. Bogdan Logofătu, Dr. Daniel Mellet-d'Huart, Dr. Marius Mărușteri, Dr. Mihaela Oprea, Thomas Osburg, Dr. Harshada Patel, Dr. Dana Petcu, Dr. Ion Roceanu, Dr. Maria Roussou, Dr. Luca-Dan Șerbănați, Dr. Doru Talabă, Dr. Leon Țămbulea, Dr. Jacques Tisseau, Dr. Al. Țugu

Thematic areas

Models and Methodologies (e-Learning, e-Pedagogy, e-Training, e-Skills); Technologies (ADL, WBE, WBT, VR); Software Solutions (CG, Web, AI)

- Extended versions of selected papers presented at ICVL will be offered for publishing in the International Journal of Computers, Communications & Control (**IJCCC**) – ISI Journal
- The Organisation Committee will elaborate until the ICVL opening, the volume with the conference's papers and the CD (**ISSN 1844-8933**) - ISI Proceedings, Web of Science

Section

- Models and Methodologies (M&M)
- Technologies (TECH)
- Software Solutions (SOFT)
- "Intel® Education" Innovation in education and research (IntelEdu)

Important Dates

- **July 30, 2011** – Submission of abstracts
- **August 30, 2011** – Submission of complete/full papers
- **September 30, 2011** – Notification of successful papers
- **October 29, 2011** – Data Awarded – ICVL Awards
